What to Bring:

- **Water Bottle & Snacks:** We recommend that your camper brings a water bottle and a snack to camp, both labeled with your camper's name, that can be consumed during several breaks throughout the day. We are a "nut-aware" camp so if you choose to pack a snack and/or lunch each day, please do not send your camper with any nut products.
- **Lunch Options:** Campers who have purchased lunch will eat in the campus dining hall. Please feel free to contact us with any questions on dietary restrictions or dining inquiries.
- **Sunscreen:** We recommend that your camper brings sunscreen to camp each day for use. If you choose to send sunscreen, and would like an instructor to assist your camper with applying sunscreen on the face, please authorize this during online registration or email authorization to info@lavnercamps.com
- **Cell Phone Policy:** Campers may bring cell phones, but use is NOT permitted during the camp day except if there is an emergency.
- **Required Minecraft Account (Java Edition) for Camp:** If your child is attending a Minecraft Camp, your child is required to have a Minecraft Account (Java Edition) for camp. Please make sure your child knows their login information. If your child does not have an account, it can be purchased here: Minecraft Account Java Edition. Please note, if your child plays Minecraft on a mobile device or tablet this is not a Java Edition Minecraft account and you will still need to have one for your child at camp.

Thank you for your proactive communication with our team to help ensure a safe camp environment!
