Lavner Camps Lunch Policies

Families have the option of purchasing lunch or packing lunch for their child.

If a child has a food allergy, the child's family is required to pack lunch each day for this child, and lunch may not be purchased through camp. Our third party food service vendors are not able to guarantee that the lunches are free from food allergens and/or free from any cross contamination.

If you decide to purchase lunch you can do so online during registration or can log back into your account and purchase lunch until the Friday prior to the start of the camp week.

If you are packing a lunch, please make sure all food items are nut-free.
